Extended Holds

*Local checks will be available on the 7th business day after the day of deposit for all checks greater than the first \$200 of all local checks deposited. Edco may extend check holds beyond the normal schedule of availability outlined in Regulation CC under the following circumstances:

- The account is less than 30 days old or reinstated accounts.
- A check is deposited for an unusually large amount (\$5,000.00 or more).
- We believe a check that was deposited will not be paid.
- A check that has been returned unpaid is redeposited.
- The member has overdrawn an account repeatedly in the last six (6) months. Six or more days the account was negative or a substantial negative balance of \$5,000 or more two or more days in the previous six months.
- There is an emergency, such as failure of communications or computer equipment.

Non-proprietary ATMS

Special availability rules for deposits received through non-proprietary ATMs are provided because "non-proprietary ATMS do not distinguish among check deposits or between check and cash deposits." Deposits will be available on the 5th business day after the date of deposit.
